#### Statement on donations to the Labour Party

All donations worth more than £200 made to the Labour Party are regulated by the Political Parties, Elections and Referendums Act 2000.

All donors to the Labour Party must be:  
- individuals on a current register of electors in the UK, or

- companies incorporated in the EU, and registered and trading in the UK, or  
- a registered limited liability partnership, carrying out business in the UK, or  
- a trade union or registered political party, or  
- a registered building or friendly society, or  
- an unincorporated association carrying out activities in the UK.

Individuals or organisations who donate more than £5,000 to the national Labour Party in a calendar year will have their name and the amount published on the Electoral Commission's website. Addresses of individuals will not be published.

The financial breakdown of the table packages and the individual tickets available for this event

classifies the amount stated below as a donation to the Labour Party with the remainder covering the costs of the event and the commercial benefits received by the buyer:

- \* Platinum table - £7,500
- \* Gold/Silver tables - £5,000
- \* Individual tickets - £500
